Fire Instructor II Course

A Fire Instructor II is a fire service instructor who, in addition to meeting Instructor I qualifications has demonstrated the knowledge and ability to:

- Develop individual lesson plans for a specific topic including learning objectives, instructional aids, and evaluation instruments
- Schedule training sessions based on overall training plan of authority having jurisdiction
- Supervise and coordinate the activities of other instructors

This is a 48-hour course that will provide you with the Intermediate knowledge with increased responsibilities of being a Fire Service instructor. Your foundation was established in Fire Instructor I, now it is time to take it to the next level. As a Fire Instructor II you will learn, and play a key role in the preparation of the courses along with stepping outside of teaching and learning more of the administrative role in the training program. This course follows NFPA 1041 and also covers many other NFPA Standards as well. To view the course curriculum and/or the skills that you will be tested over please click on the appropriate links below. Our course curriculum comes directly from the Texas Commission on Fire Protection and the State Fireman's and Fire Marshal's Association.
